

Environmental Policy

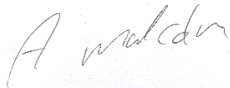

Malcolm Contracts Ltd are totally committed to the care of the Environment & and the prevention of pollution.

Environmental objectives are therefore set annually and reviewed regularly to drive continuous improvement of our management systems and to enhance our environmental performance.

In addition, we are committed to not only fulfilling our compliance obligations and satisfying applicable requirements including the requirements of ISO 14001:2015, but to the protection of the environment, including the prevention of pollution and sustainable resource use.

To this end all employees, whatever their role, have a responsibility for the environment and this policy is communicated, implemented and operated at all levels throughout the company and is available to interested parties.
